

Paediatric Track 1

ESMIT

Facilitators: Ana Isabel Santos
Diego De Palma
Osnat Konen

Friday, February 15, 2019

Session I - Paediatric Nephro-Urology Multimodality (MM) Refresher

8:30 - 8:50	MM imaging: Revision of Nuclear Medicine refresher (radiopharmaceuticals & protocols)
8:50 - 9:20	Interactive case reading
9:20 - 9:40	MM imaging: Radiology protocol refresher
9:40 - 10:10	Interactive case reading
10:10 - 10:30	Quizzing

10:30 - 10:50 Coffee Break

Session II - MM imaging in childhood urinary tract infections

10:50 - 11:30	Focus on DMSA scintigraphy MM approach to vesicoureteral reflux in children with UTI
11:30 - 12:00	Interactive case reading
12:00 - 13:00	Hands-on sessions (includes Board discussion of clinical cases)

13:00 - 14:00 Lunch Break

Session III - MM Imaging in dilated urinary track and other frequent paediatric nephro-urologic

14:00 - 14:30	Dilated urinary tract: focus on nuclear medicine
14:30 - 15:00	Dilated urinary tract: focus on radiology
15:00 - 15:20	MM approach to other paediatric nephro-urologic anomalies
15:20 - 16:00	Hands-on sessions (includes Board discussion of clinical cases)

16:00 - 16:20 Coffee Break

Session IV - MM imaging in Paediatric Musculoskeletal (MSK) Evaluation - General issues and growth abnormalities

16:20 - 16:40	MM imaging: protocol refresher I (nuclear medicine)
16:40 - 17:00	MM imaging: protocol refresher II (radiology)
17:00 - 17:20	Interactive case reading
17:20 - 17:30	MM Imaging in the limping child
17:30 - 18:00	Interactive case reading

Day 1

18:00	End of Day 1
-------	--------------

Saturday, February 16, 2019

Session V - MM imaging of bone & joint infection & inflammation

8:30 - 9:00	MM imaging in paediatric MSK infection & inflammation and the added value of SPECT/CT in paediatric MSK conditions
-------------	--

9:00 - 10:00	Interactive case reading
--------------	--------------------------

10:00 - 10:20	Coffee Break
---------------	--------------

Day 2

Session VI - MM imaging of skeletal trauma & other benign bone conditions

10:20 - 10:40	MM Imaging in skeletal trauma, including sports injuries & child abuse
---------------	--

10:40 - 11:00	Interactive case reading
---------------	--------------------------

11:00 - 11:20	MM Imaging in other benign bone conditions
---------------	--

11:20 - 12:10	Hands on session (including wrap up)
---------------	---

12:10 - 13:20	Lunch Break
---------------	-------------

13:20 - 13:30	Group photo
---------------	-------------
