

## Paediatric Track 2

# ESMIT

**Facilitators:** Ana Isabel Santos  
Diego De Palma  
Osnat Konen

### Saturday, February 16, 2019

#### Session I - Paediatric Nephro-Urology Multimodality (MM) Refresher

|               |  |
|---------------|--|
| 13:30 - 13:50 | MM imaging: Revision of Nuclear Medicine refresher (radiopharmaceutical & protocols) |
| 13:50 - 14:20 | Interactive case reading   |
| 14:20 - 14:40 | MM imaging: Radiology protocol refresher   |
| 14:40 - 15:10 | Interactive case reading   |
| 15:10 - 15:30 | Quizzing   |

Day 2

15:30 - 15:50 Coffee Break

#### Session II - MM imaging in childhood urinary tract infections

|               |  |
|---------------|--|
| 15:50 - 16:30 | Focus on DMSA scintigraphy MM approach to vesicoureteral reflux in children with UTI |
| 16:30 - 17:00 | Interactive case reading   |
| 17:00 - 18:00 | Hands-on sessions<br>(includes Board discussion of clinical cases)                   |

18:00 End of Day 2

### Sunday, February 17, 2019

#### Session III - MM Imaging in dilated urinary track and other frequent paediatric nephro-urologic

|              |  |
|--------------|--|
| 8:00 - 8:30  | Dilated urinary tract: focus on nuclear medicine                   |
| 8:30 - 9:00  | Dilated urinary tract: focus on radiology                          |
| 9:00 - 9:20  | MM approach to other paediatric nephro-urologic anomalies          |
| 9:20 - 10:00 | Hands-on sessions<br>(includes Board discussion of clinical cases) |

10:00 - 10:20 Coffee Break

#### Session IV - MM imaging in Paediatric Musculoskeletal (MSK) Evaluation - General issues and growth abnormalities

|               |   |
|---------------|---|
| 10:20 - 10:40 | MM imaging: protocol refresher I (nuclear medicine) |
| 10:40 - 11:00 | MM imaging: protocol refresher II (radiology)       |
| 11:00 - 11:20 | Interactive case reading                            |
| 11:20 - 11:30 | MM Imaging in the limping child                     |
| 11:30 - 12:00 | Interactive case reading                            |

Day 3

12:00 - 12:40 Lunch Break

| <b>Session V - MM imaging of bone &amp; joint infection &amp; inflammation</b>       |  |
|--|--|
| 12:40 - 13:10  | MM imaging in paediatric MSK infection & inflammation and the added value of SPECT/CT in paediatric MSK conditions |
| 13:10 - 13:40  | Interactive case reading   |
| <b>Session VI - MM imaging of skeletal trauma &amp; other benign bone conditions</b> |  |
| 13:40 - 14:00  | MM Imaging in skeletal trauma, including sports injuries & child abuse   |
| 14:00 - 14:20  | Interactive case reading   |
| 14:20 - 14:40  | MM Imaging in other benign bone conditions   |
| 14:40 - 15:30  | Hands on session<br>(including wrap up)  |
| 15:30  | End of Day 3   |
