Hein Verberne is a registered nuclear medicine physician and works as a staff-member at the department of Radiology and Nuclear Medicine of the Amsterdam University Medical Centers (Amsterdam UMC). He has (co-)authored more than 180 publications in peer reviewed journals and 8 book chapters, mostly related to cardiovascular imaging. Since 2015 he has been a member of the scientific program committee of the annual congress of the European Association of Nuclear Medicine (EANM). He was also co-chair of the scientific program of the 2017 International Conference on Nuclear Cardiology and Cardiac CT (ICNC) and is co-chair of ICNC 2019. Currently he is chair of the Cardiovascular Committee of the EANM.
